#### **Document Purpose**

At **Danemill Primary School** our values reflect our commitment to a school where there are high expectations of everyone. Children are provided with high quality learning opportunities so that each child attains and achieves all that they are able to. Everyone in our school is important and included. We promote an ethos of care and trust where every member of our school community feels that they truly belong and are valued. We work hard to ensure there are no invisible children here, recognising everyone's uniqueness and success. We recognise learning in all its forms and are committed to nurturing lifelong learners. We are a safe school, committed to improving children's confidence and self-esteem. We know that safe and happy children achieve.

This Accessibility Plan is drawn up in compliance with current legislation and requirements as specified in Schedule 10, relating to Disability, of the Equality Act 2010. The Advisory Board are accountable for ensuring the implementation, review and reporting of progress of the Accessibility Plan over a prescribed period.

The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that "schools cannot unlawfully discriminate against pupils or staff because of age, sex, race, disability, religion or belief, sexual orientation, gender reassignment or marriage/civil partnerships."

According to the Equality Act 2010 a person has a disability if:

(a) He or she has a physical or mental impairment, and

(b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

The Accessibility Plan is structured to complement and support the school's Equality Objectives, and will similarly be published on the school website.

#### Objectives

**Key Objective:** To reduce and eliminate barriers of access to the curriculum; and to ensure full participation in the school community for pupils and prospective pupils with a disability.

Danemill Primary School is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

The school recognises and values parent's knowledge of their child's disability and its effect on their ability to carry out everyday activities and respects the parent's and child's right to confidentiality.

Danemill Primary School's Accessibility Plan shows how access is to be improved for disabled pupils, staff and visitors to the school within a given timeframe and anticipating the need to make reasonable adjustments to accommodate their needs where practicable.

The Accessibility Plan contains relevant and timely actions to:-

- Increase access to the curriculum for pupils with a physical disability and/or sensory impairments, expanding the curriculum as necessary to ensure that pupils with a disability are as equally prepared for life as the able-bodied pupils; (If a school fails to do this they are in breach of their duties under the Equalities Act 2010); this covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or schools visits it also covers the provision of specialist or auxiliary aids and equipment, which may assist these pupils in accessing the curriculum within a reasonable timeframe;
- Improve and maintain access to the physical environment of the school, adding specialist facilities as necessary this covers improvements to the physical environment of the school and physical aids to access education within a reasonable timeframe;
- Improve the delivery of written information to pupils, staff, parents and visitors with disabilities; examples might include hand-outs, timetables, textbooks and information about the school and school events; the information should be made available in various preferred formats within a reasonable timeframe.

Danemill Primary School's Accessibility Plan relates to the key aspects of physical environment, curriculum and written information.

Whole school training will recognise the need to continue raising awareness for staff Advisory Board on equality issues with reference to the Equality Act 2010.

This Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:

- Behaviour Policy
- Curriculum Policies
- Personal Emergency Evacuation Plans
- Health & Safety Policy
- School Improvement Plan
- Special Educational Needs and Disabilities (SEND) Policy
- Teaching and Learning Policy

The Accessibility Plan for physical accessibility relates to the Access Audit of the School, which remains the responsibility of the Advisory Board. It may not be feasible to undertake all of the works during the life of this accessibility plan and therefore some items will roll forward into subsequent plans. An accessibility audit will be completed by the school premises officer prior to the end of each period covering this plan in order to inform the development of a new Accessibility Plan for the ongoing period.

Equality Impact Assessments will be undertaken as and when school policies are reviewed. The terms of reference for all governors' committees will include the need to consider Equality and Diversity issues as required by the Equality Act 2010.

It is a requirement that the school's accessibility plan is resourced, implemented, reviewed and revised as necessary and reported on annually. Attached is a set of action plans showing how the school will address the priorities identified in the plan.

This policy, having been presented to and agreed upon by the whole staff and Advisory Board is distributed for the information of

All teaching staff

All learning support assistants

All school support staff

A copy of this policy is available for

- School Advisory Board
- External professionals
- OFSTED
- Parent
- Visiting teachers
- Other interested adults (psychological services etc.)

#### Accessibility Plan – Identifying Barriers to Access

The Accessibility Plan will run on a 3 year cycle and follow the planning process outlined below. If necessary Danemill Primary School will carry out interim reviews within the 3 year cycle to ensure that the needs of new members of our school community are catered for.

### **IDENTIFYING BARRIERS TO ACCESS: A CHECKLIST**

This checklist comprises of three sections. In the first, you are asked to consider whether the school environment in which you work is designed to meet the needs of all pupils and/or visitors, including those with SEN and/or disability. The second and third sections should be used to identify how your school delivers its curriculum and provides written materials in alternative formats and to provide a clearer picture of the barriers to access that exist in the school culture. This list is not exhaustive.

| 1= yes - completely, 2 = almost - working towards meeting the guidance, 3 = partially, 4 = not yet |
